Commentaries:							

The signing of this form reflects understanding and acceptance of the following conditions:
1. The services of the environmental educators of the Devesa-Albufera Service are offered exclusively to the Education Centres. The educators will only provide guidelines, complementing the environmental education directed by the teacher.
2. The organisation and direction of the educative activity corresponds to the Education Centre.
3. The group should always be accompanied by a teacher or a person designated by the centre (one adult for every 15 children approximately).
4. The teaching staff will be in charge of the students' conduct during the activity. The group should be informed regarding the type of visit and the necessity to maintain correct behaviour.
5. The teaching staff will be responsible for the correct use of the equipment and installations to be visited.
6. The teaching staff will be responsible for the group, and is required to maintain the area clean and use the rubbish bins and containers available.
7. In case of unfavourable meteorological conditions the Environmental Education Team of the City Council of Valencia reserves the right to change the established programme or even to cancel the visit if necessary.

Valencia, \_\_\_\_\_, \_\_\_\_\_ 20\_\_
