### ACCESS TO THE WHARVES OF PUJOL, EI RACÓ DE L'OLLA AND LA MATA DEL FANG AND EL PALMAR

To access the wharves when coming from Valencia, continue on the dual carriageway towards Cullera. There are two roundabouts, the first one going to Alfafar (where the carriageway finishes) while the second is the access road to a hotel. Continue straight on after this roundabout until the bridge crossing the canal of "Gola de Pujol". The **EMBARCADERO DE PUJOL** (wharf) is on the right, where there is also a bus stop.

Continuing on this road, you will reach the turnoff to go to El Palmar (indicated by a road sign). The Information Centre of El Racó de l'Olla is located just after this turnoff, about 500 metres on the left. Further on along this road, there is a tight curve followed by a straight stretch, with the Racó de l'Olla Information Centre on the left, and a concrete building which is the Municipal Wharf of Valencia on the right. There is a narrow footpath next to the fence of this building which gives access to the **WHARF OF EL RACÓ DE L' OLLA OR DE LA MATA DEL FANG.**

Following this road, after passing three bridges, you will reach the village of El Palmar. Enter the village and turn right to go to the Port of El Palmar or the **EMBARCADERO OF EL PALMAR** (Wharf).
