ACCESS TO THE MUNICIPAL NURSERY OF EL SALER

Carretera cv 500,
km 8.5 margen izqda.
46012 El Saler (Valencia)

Coming from Valencia on the dual carriageway towards Cullera, there are two roundabouts, the first one going to Alfafar (where the carriageway finishes) while the second is the access road to a hotel. The entrance to the Municipal Nursery is located just after the second roundabout, on the left. There is a small sign indicating the nursery.

Since buses cannot enter the Nursery, they must take the access road to the aforementioned hotel (off the second roundabout) in order to leave the children at the door of the nursery. They should not take the junction on the left going towards the hotel, but follow the road. There is a large curve on the right. Following a long straight stretch, joining the CV 500 again. Turn right to access the front door of the Municipal Nursery.
